

Congressionally Directed Spending in FY2024 Government Funding Bill

Shenandoah Valley

U.S. Senators Mark R. Warner and Tim Kaine

- **The Senators successfully secured \$1,000,000 for Craig County** to replace antiquated communications equipment that is at the end of its life span and eliminate communications dead spots throughout the County by increasing the coverage area from 70% coverage to 95%, improving public safety.
- **The Senators successfully secured \$1,000,000 for James Madison University in Harrisonburg** to support a partnership with public schools, medical institutions, and African American communities to address disparities in representation in health professions and in the health outcomes experienced in African American communities.
- **The Senators successfully secured \$1,840,000 for the Town of Clifton Forge** to upgrade portions of the sanitary sewer collection system.
- **The Senators successfully secured \$1,000,000 for the Harrisonburg Rockingham Child Day Care Center** to expand capacity for affordable child care in the community.
- **The Senators successfully secured \$812,000 for the Blue Grass Resource center** to restore an 18-room historic inn on the National Register of Historic Places that was built in 1904 in **Highland County**.
- **The Senators successfully secured \$575,000 for the Millennium Group** to open a child care center and support the Community Health Workers Training Program in **Nelson County**.
- **The Senators successfully secured \$561,000 for Blue Ridge Hospice** to expand access to high- quality preventative, primary, acute and long-term care under its Program of All-Inclusive Care for the Elderly in **Winchester**.
- **The Senators successfully secured \$300,000 for the Northeast Neighborhood Association** for the interior renovation of the Dallard-Newman House, a listing in the National Register of Historic Places in **Harrisonburg**. The funding will be used for the installation of new insulation, HVAC units, and ADA measures for the house, which will open to the public in 2024-2025 as Harrisonburg and Rockingham County's first museum dedicated to African American history.

- **The Senators successfully secured \$94,000** for the Masonic Theatre Preservation Foundation to replace all entrance and emergency exit doors for the Historic Masonic Theatre in **Clifton Forge**.
- **The Senators successfully secured \$72,000** for the Shenandoah Valley Black Heritage Project to recover African American history and create a database of historic sites and burial grounds in the **Shenandoah Valley**. The data collected will be used to create 14 driving history tours accompanied with video and audio interviews from Valley residents, which will be freely available online.
