May 13, 2022

The Honorable Brian Schatz  
Chair  
Appropriations Subcommittee on Transportation,  
Housing and Urban Development  
Committee on Appropriations  
United States Senate  
Washington, DC 20510

The Honorable Susan Collins  
Ranking Member  
Appropriations Subcommittee on Transportation,  
Housing and Urban Development  
Committee on Appropriations  
United States Senate  
Washington, DC 20510

Dear Chair Schatz and Ranking Member Collins:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Transportation, Housing and Urban Development appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Tim Kaine

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Boys and Girls Club of Central Virginia Albemarle	Construction of a new facility for services aimed at high-risk and low-income youth.	Albemarle County VA	\$5,000
Virginia Supportive Housing	To provide affordable housing with supportive services for homeless and low-income individuals.	Albermarle County VA	\$500
City of Alexandria, VA	The AHDC Arlandria project is a multi-phase, mixed-use project that will combine 475 units of affordable housing (417 rental apartments affordable to households at 40 to 80% of the area median income (AMI) and 58 condominium units affordable to first time homebuyers with incomes up to 80% AMI) with ~40,000 SF of neighborhood-serving commercial and retail space, proposed to include existing small businesses, affordable daycare, pre-K programs, a medical and dental clinic, a workforce training program and cafe, nonprofit offices, and City flex space to bring workforce development, social services and landlord tenant services, as well as community meeting space, to the neighborhood.	Alexandria VA	\$5,000
Arlington Partnership for Affordable Housing	To acquire land to support the creation of affordable housing units.	Arlington VA	\$1,250
Virginia Passenger Rail Authority	Study phase for a dedicated bike-ped bridge spanning the Potomac River between Arlington, VA and Washington, DC	Arlington County VA	\$5,000
Community Housing Partners Corporation	To construct energy efficient single-family affordable housing.	Blacksburg VA	\$300
Virginia Department of Transportation	U.S. 121/460 Intersection and Hawk's Nest Sections Paving Project. Funds will be used for design and construction to widen a 2.21 mile section of U.S. 121/U.S. 460 to a four-lane, near the Southern Gap industrial park in Buchanan County, Virginia, to better promote economic development of this coal-impacted, economically distressed community.	Buchanan County VA	\$7,000
Twin County Airport Commission	Twin County Airport is requesting funds to extend our current four thousand two hundred foot runway to five thousand two hundred and fifty feet. The extension would change the current approach path and allow taller building heights within the Wildwood Industrial Park, which have proven to be restrictive.	Carroll County VA	\$200
Piedmont Housing Alliance	To build an early learning center to serve residents of a low-income community.	Charlottesville VA	\$625
Piedmont Housing Alliance	Southwood Apartments will be a catalytic part of the larger Southwood community redevelopment, a resident-led revisioning of a trailer park being master planned and developed by Habitat for Humanity of Greater Charlottesville. Southwood Apartments will include 121 new affordable apartments, situated at the entry of the first phase of the redevelopment, located approximately four miles south of downtown Charlottesville.	Charlottesville VA	\$2,875
Piedmont Housing Alliance	To redevelop the Friendship Court neighborhood to provide current residents with new homes and better connect the surrounding area.	Charlottesville VA	\$575

City of Chesapeake	The greater Campostella Square community in Chesapeake faces numerous and extreme socio-economic challenges, characterized by a sizable low-income and undereducated population. This project would construct a public pool in this community. Currently, there are no publicly owned or operated indoor or outdoor pools in our City. Having a public pool would reach children and adults who may not otherwise have the opportunity to engage in swimming lessons and programs and also to provide more exposure to water safety education, which will no doubt save lives.	Chesapeake VA	\$3,000
Better Housing Coalition	To provide affordable housing to low-income households in an area with access to good jobs.	Chesterfield VA	\$1,000
Virginia Polytechnic Institute and State University	Funding will go toward creating an urban living laboratory in Arlington and Alexandria for transportation-related smart technologies that can save lives, save transportation commuting times, help the environment, and spur economic development.	City of Alexandria and Arlington County VA	\$1,000
Virginia Department of Transportation	To provide for enhancements to rights-of-way, pedestrian crossings, signage, and landscaping at entry points for the beautification of the Portsmouth Boulevard corridor in the vicinity of the I-664 interchange	City of Chesapeake VA	\$3,275
City of Hopewell, VA	To purchase a 95' ladder truck with a platform to increase the lifesaving and fire protection capabilities of the Hopewell Fire Department.	City of Hopewell VA	\$1,700
Virginia Department of Transportation	The City of Hopewell seeks \$8,800,000 in DOT HIP funding with \$2,200,000 in local match to support the construction of the Courthouse Road Pedestrian Improvements project.	City of Hopewell VA	\$8,800
City of Newport News	To improve links between the community and essential services, employment opportunities, entertainment venues, neighborhood walkability, and other key elements that contribute to the overall quality of life in the community.	City of Newport News VA	\$4,000
City of Norfolk	To construct a Hampton Roads Transit (HRT) Bus Transfer Center on W Ocean View Avenue in Norfolk at a more highly visible location to ensure a safer bus patron environment. The project includes amenities to improve the customer experience and safety, including concrete bus pull-in pad with curb & gutter, widened sidewalk, covered bus shelters, bike racks, site lighting, infrastructure for surveillance cameras and landscaping.	City of Norfolk VA	\$500
City of Richmond	To fund facility upgrades that will improve the safety and security of rail passengers and station visitors.	City of Richmond VA	\$700
City of Richmond	To fund planning, outreach, design and construction of 1.9 miles of Richmond's North-South line to provide better transit options to Richmond's residents and visitors alike.	City of Richmond VA	\$3,000
Capital Region Airport Commission	The project's purpose is to replace Richmond International Airport's Aircraft Rescue and Fire Fighting Station. The current ARFF was built in 1980 and has many problems.	City of Richmond VA	\$5,000
Virginia Department of Transportation	The purpose of the project is to replace the Wiley Drive Bridge, which is prone to flooding.	City of Roanoke VA	\$2,500
Virginia Department of Transportation	The City of Virginia Beach is requesting \$5 million to improve access to Sandbridge by providing a safer and more reliable alternate route to the Sandbridge area as well as providing a more resilient hurricane evacuation route for the Sandbridge residents.	City of Virginia Beach VA	\$5,000
Virginia Department of Transportation	Funding will be used for the building of a trailhead that will serve as the starting point for the Williamsburg African American Heritage Trail.	City of Williamsburg VA	\$327
Appalachian Sustainable Development	Funding will be used to build out the remaining facilities needed to establish a Central Appalachia Agroforestry Corridor based in Southwest Virginia.	Duffield VA	\$9,000

Bethany House of Northern Virginia, Inc	To increase capacity to provide short-term housing and life advancement services to women and children escaping domestic violence.	Fairfax County VA	\$325
Capital Area Food Bank	To reconstruct a modernized food bank warehouse facility.	Fairfax County VA	\$5,179
Fairfax County	To expand the capacity of an early childhood center to serve low-income families in Fairfax.	Fairfax County VA	\$2,400
Virginia Department of Transportation	To construct a sidewalk along the west side of Great Falls Street from Haycock Road to Grande Lane, in Fairfax County.	Fairfax County VA	\$490
Virginia Department of Transportation	Funding will help construct bicycle and pedestrian improvements from Blake Lane to near the entrance of the Vienna Metro I-66 westbound ramp. Improvements include a shared-use path along the south side of Sutton Road and a two-way cycle track and sidewalk along the south side of Country Creek Road and Virginia Center Boulevard.	Fairfax County VA	\$1,000
Virginia Department of Transportation	Funding will help go toward bicycle/pedestrian facility improvements for segments of the I-66 Parallel Trail.	Fairfax County VA	\$2,000
Virginia Department of Transportation	Funding would help complete the northern portion of the Mason Neck Trail.	Fairfax County VA	\$4,000
Virginia Department of Transportation	Funding will improve access to several Washington Metropolitan Area Transit Authority (WMATA) Metrorail stations as well as improve safety for bicyclists and pedestrians within Herndon and Reston.	Fairfax County VA	\$4,000
Virginia Institute of Marine Science (VIMS) at the	Funding will be used to modernize the Virginia Institute of Marine Science's (VIMS) Visitor Center.	Gloucester Point VA	\$2,000
Harrisonburg Redevelopment and Housing Authority	To provide permanent supportive housing for the elderly, veterans, and persons with disabilities or serious mental illness with low-income.	Harrisonburg VA	\$500
County of Henrico	To rehabilitate the Central Gardens building, a former Henrico County School, to be used as the headquarters for the Henrico Police Athletic League.	Henrico VA	\$2,000
Greater Richmond Transit Company (GRTC)	Funding will go toward providing more shelters, benches, or ADA-compliant accessibility to bus stops along Henrico County's four main transit corridors.	Henrico County VA	\$1,275
Virginia Department of Transportation	The project will complete the Lambert Way - Woodman Road extension. This road creates an access point to Glover Park, promoting sports tourism for the County and region. Lambert Way will meander west from Woodman, near Winfrey Road, and align with a road that currently serves as an entrance to Glover Park. The road will feature a 10-foot-wide bike and pedestrian path that will tie into a similar path along the extended portion of Woodman and ultimately the Fall Line Trail, which is planned to extend between Ashland and Petersburg.	Henrico County VA	\$5,000
Henrico County	To provide new roads throughout the cemetery, allowing for safer travel through the cemetery and address land erosion issues.	Henrico County VA	\$1,000
Appalachia Service Project	Funding for construction materials and supplies for emergency home repair or new construction for individuals below the federal poverty line in southwest Virginia.	Lee, Wise, Dickenson Counties VA	\$210
Virginia Department of Transportation	This project provides for sidewalks, shared-use trails, crosswalks, and intersection improvements to enhance pedestrian access to Silver Line Metro Stations in Loudoun County.	Loudoun County VA	\$2,000
Virginia Department of Transportation	To conduct a pilot project to develop a driving surface aggregate material for Virginia's unpaved roads.	Loudoun County VA	\$1,000

Central VA Fund for Economic Education and Improve	Provide resources to implement the first steps of a redevelopment master plan for the Central Virginia Training Center in Madison Heights, Virginia, which will create significant economic benefits, opportunities, and jobs for the city of Lynchburg and the greater Central Virginia region.	Lynchburg VA	\$1,950
Young Men's Christian Association of Central Virgi	To expand the capacity and services of the downtown YMCA.	Lynchburg VA	\$3,000
Virginia Department of Transportation	Route 28/Centreville Road Innovative Intersections Design Engineering	Manassas Park VA	\$3,300
Marion Economic Development Authority	To rehabilitate blighted, abandoned and underutilized properties to provide more affordable homeownership opportunities to LMI households.	Marion VA	\$1,000
Virginia Department of Transportation	To expand Beaver Creek Drive in the Patriot Centre Business Park.	Martinsville, Henry County VA	\$3,967
Virginia Passenger Rail Authority	The purpose of the project is to advance rail into the New River Valley by studying where the new train platforms should go.	Montgomery County VA	\$10,000
Virginia Passenger Rail Authority	The purpose of the project is to complete the Newport News Transportation Center, a multimodal facility, serving intercity rail, pedestrians, bicycles, airport shuttles, Hampton Roads Transit buses, and long-distance bus carriers.	Newport News VA	\$1,200
Hampton Roads Transit	To purchase paratransit vehicles for Hampton Roads Transit to better serve riders with disabilities.	Norfolk and multiple jurisdictions in Hampton Roads VA	\$2,240
Southside Community Development & Housing Corporat	To provide permanent supportive housing for individuals experiencing homelessness.	Petersburg VA	\$500
Virginia Port Authority	To enable the development of an offshore wind hub that creates economic development and jobs for the region.	Portsmouth VA	\$19,978
Virginia Department of Transportation	This transportation safety improvement project consists of constructing a one-lane Roundabout with a by-pass lane for through traffic at the intersection of Jefferson Park Road and Middle Road in Prince George County, VA. This intersection has seen steady traffic and accident increases over the past ten years. With the addition of a new Elementary School under construction near this intersection, traffic is anticipated to greatly increase. This intersection serves travelers from Fort Lee, Hopewell, and Prince George.	Prince George County VA	\$3,541
Prince William County	The Homeless Navigation Center (HNC) will be an approximately 30,000 square-foot facility located in the eastern portion of the County. The HNC will provide overnight, temporary, emergency sheltering and wrap-around services for up to 50 adults experiencing homelessness, while also providing a safe environment following Center for Disease Control guidance for social distancing.	Prince William County VA	\$2,000
Virginia Department of Transportation	The purpose of the project is to build a pedestrian bridge across a busy six-lane section of US Route 1 to connect the planned North Woodbridge Town Center to High-Capacity Transit at the Woodbridge VRE Station.	Prince William County VA	\$4,800
Town of Pulaski	This funding will be used to construct various components of the Cafee Community & Cultural Center in Pulaski, Virginia, including a childcare program, digital learning lab for children, and a community kitchen.	Pulaski VA	\$1,232

Virginia Department of Transportation	This project provides funding for construction and easement acquisition to complete sidewalks and trails needed to connect Franklin Park to the Town of Purcellville. The Franklin Park to Purcellville Trail project will provide access for pedestrian and bicycle traffic from the Franklin Park recreational facilities to the existing sidewalk in downtown Purcellville to enhance access and safety for pedestrians and bicyclists. The proposed segment will connect the Town of Round Hill to the Town of Purcellville and the W&OD Trail through Franklin Park, using the portion already under construction between Round Hill and Franklin Park.	Purcellville, Loudoun County VA	\$1,000
Virginia Department of Transportation	This project provides for design, land acquisition, utility relocation, and construction of a compressed, urban diamond interchange at Route 7 at Hillsboro Road west of Purcellville, and roundabouts at the ramp termini. The scope of work pedestrian accommodations, as well as the construction of a shared-use path along Hillsboro Road which will improve connectivity for 21st Street in Purcellville to Fields Farm Park Road.	Purcellville, Loudoun County VA	\$4,000
Better Housing Coalition	To improve living conditions for residents of a section 8 housing community through property rehabilitation.	Richmond VA	\$1,000
Virginia Biotechnology Research Partnership Author	Funding will be used to construct the Life Sciences Innovation Center and Laboratory in Richmond, VA and will be overseen by the Virginia Biotechnology Research Partnership Authority	Richmond VA	\$5,000
HumanKind	To provide financial education and access to affordable vehicle loans for working individuals.	Richmond, Roanoke and surrounding regions in Virginia VA	\$1,200
Empowerhouse	To purchase a generator to power a domestic violence shelter during a power outage.	Spotsylvania, King George, Fredericksburg City, Caroline and Stafford VA	\$40
Town of Tappahannock	This funding is for land acquisition and preliminary engineering and planning for two sites in Tappahannock, Virginia for replacement for the Town's historic steamboat wharf and redevelopment of the marina.	Tappahannock VA	\$2,500
Tazewell County	Funding will enhance the accessibility of an overlook to promote tourism and economic development.	Tazewell County VA	\$450
Town of Colonial Beach	Funding would be used to revitalize the Historic Excursion Pier in the Town of Colonial Beach, Virginia.	Town of Colonial Beach VA	\$5,000
Virginia Department of Transportation	Funding will be used to establish a recreational park, Last Lock Park, in Botetourt County, Virginia.	Town of Fincastle VA	\$4,471
Wolf Trap Foundation for the Performing Arts	Funding would be used to address specific deferred maintenance needs at Wolf Trap National Park for the Performing Arts in Vienna, Virginia. This request reflects the highest priority deferred maintenance needs at Wolf Trap, including the replacement of electrical wiring at the Filene Center that is nearly 40 years old.	Vienna VA	\$3,000
Virginia Department of Transportation	The project includes the construction of roadway improvements along the existing alignment of Laskin Road from Red Robin Road to Oriole Drive for a length of approximately 0.6 miles, as well as minor improvements at Birdneck Road. This project will connect to the Laskin Road Bridge and Phase I-A projects that are currently under construction. Improvements to Laskin Road will widen the four-lane plus frontage road facility to a traditional sixlane divided facility with a raised median as well as a sidewalk and shared-use path for bicycles and pedestrians. These proposed improvements also include the removal of the existing frontage roads.	Virginia Beach VA	\$10,000
Virginia Department of Transportation	This funding will be used to fund the completion of phase 1 of the Shenandoah Rail Trail, a proposed multi-use trail that will span three counties and nine towns along the Shenandoah Valley in Virginia.	Warren, Shenandoah and Rockingham counties VA	\$5,900

Waynesboro  
Family YMCA

"The project funding will provide for: • An improved layout for safer, more accessible and efficient program delivery • Expanded wellness and recreation activities • New programming to prevent diabetes, reduce obesity, and serve urgent community health needs • Increased opportunity to engage seniors • New Water-Safe Waynesboro initiative for all school-aged children to reduce drowning • Inclusive programming to increase access for youth and adults with disabilities • Modern systems to improve member experience and reduce operating expenses • Enhanced membership revenues, strengthening the Y's financial foundation for the years ahead • Expanded childcare capability and programming"

Waynesboro,  
Augusta County  
VA
